## CPG Brand Competitive Advantages Boost Sweepstakes and Contest Marketing ROI

To sustain their growth and differentiate their products, CPG brands must leverage existing competitive advantages in sweepstakes and contests. Namely, the following:

First, a consumer packaged goods (CPG) company can advertise a sweepstakes or social media contest on packaging.

Product label sweepstakes codes and receipt validation [proof](#) of purchase are two methods CPG brands use to boost the number of sweepstakes participants.

Second, established CPG brands enjoy brand loyalty because they are products that customers buy again and again. As a result, weekly or [monthly sweepstakes](#) giveaway promotions can be highly effective for CPG companies.

Third, a CPG company can leverage the brand authority of its parent company. When consumers already trust parent company's products, they will likely buy from the CPG brand as well.

The CPG company should highlight this brand trust factor in their sweepstakes marketing.
